

HIGH PERFORMING TEAMS

An interactive workshop journey based on Google's Project Aristotle – facilitated with current insights from the Google ecosystem and real-world execution experience from three CIO roles.

WHO IT'S FOR

- Leadership teams that want to role-model for the organization
- Business and department teams going through change
- Transformation and project teams with high coordination needs

WHAT WE COVER

- The five dynamics of effective teams — with psychological safety as the foundation
- Making psychological safety tangible instead of just explaining it
- Building dependability, accountability, and a positive failure culture
- Developing concrete team rituals for everyday work

FORMAT

- Journey: 3 × 3 hours virtual — or 1–2 days in person
- 8–14 participants per group
- Transfer tasks between sessions
- Tailored to your situation
- English or German

YOUR BENEFIT

Measurable behavior change instead of a one-off impulse: the transfer tasks between sessions anchor the concepts in daily work. This measurably reduces internal friction and accelerates your team's execution speed and innovation.
